Upper Uwchlan Township  
Board of Supervisors Workshop  
March 12, 2019  
4:00 p.m.  
Minutes  
**DRAFT**

In attendance:

Guy Donatelli, Chair  
Sandy D'Amico, Vice-Chair  
Jamie Goncharoff, Member

Cary Vargo, Township Manager  
Shanna Lodge, Assistant Township Manager  
Gwen Jonik, Township Secretary  
John DeMarco, Police Chief

Guy Donatelli called the Workshop to order at 4:04 p.m. and led the Pledge of Allegiance.

Township Manager's Report

Cary Vargo highlighted the following projects and activities: Park Road Trail clearing has begun; Milford Road Bridge is closed and the detour is in place; Toll has begun work on the Sunderland Avenue extension, which had been suspended for the winter; propane heaters and tank were installed at Upland Farms barn; Archer Buchanan is updating the design/construction plans which should be complete early April; the trash and recycling pre-bid meeting was held yesterday and bids are due April 1; the winter weather tracking program (plowing) is in place and working well.

Sandy D'Amico asked if the overall Township trail plan is complete or can it be amended. Cary Vargo noted there are some connections that need to be completed and it can be amended.

Township Building Renovation / Expansion Bid Results – Review, Discuss

Cary Vargo advised that the construction estimates for the building renovation and expansion totaled \$3,750,000. The low bids totaled \$4,338,851. The Architectural Firm (Hammel) and our Construction Project Management Firm (Boyle) are reviewing the bids line by line to determine which areas were either undervalued during estimating or bid high. General site work was higher than estimated, as was electrical, which included the generator and access management system, and the fire protection system.

We also need to account for contingencies that crop up during construction projects. A meeting is scheduled for March 14 to review the bids together.

The Supervisors inquired what steps could be taken to have project costs reduced closer to budget. Discussion included re-bidding all contracts or just the categories that are determined to be more out of line with the budget; remove some of the items or reduce scope of the project; move forward and push other Capital projects to next year or so. It was agreed that the next step would be determined following the in-depth review of all bids later this week.

Open Session

The Supervisors agree that we should include ourselves in the pipeline intervention proceedings.

A "Townes at Chester Springs" resident asked for an update regarding the FedEx overnight noise matter. The sound meter is being calibrated; we'll take the readings at FedEx and go from there.

The sound study was conducted at Eagleview Corporate Center Lot 1B. The Supervisors and the McNaughtons were provided the results at the same time.

Guy Donatelli advised that a resident has questioned the Township taking dedication of property on Meadow Creek Lane currently owned by the Pipeline and he believes that if any public benefit can come from it, it should be researched.

Jamie Goncharoff circulated a flyer that he received in the mail from "Fieldstone at Chester Springs", the proposed senior living facility currently under review, at Graphite Mine Road and Byers Road.

Adjournment

There being no further business to be brought before the Board, Guy Donatelli adjourned the Workshop at 5:11 p.m. and the Board proceeded to hold an Executive Session.

Respectfully submitted,

Gwen A. Jonik  
Township Secretary

Mr. Donatelli called the meeting to order at 7:11 p.m., led the Pledge of Allegiance, offered a moment of silence and asked if any attendees were recording the meeting. There were no responses.

Mr. Donatelli advised Agenda item VII – Administration would be discussed at this time.

ADMINISTRATION

Township Building Renovation/Expansion Project – Electrical Contract Bid – Consider Rejection. Cary Vargo explained that the electrical contract was one of five categories/contracts for the township building renovation and expansion project. The electrical bid was significantly over budget. The Architect and the Construction Project Manager had reviewed the bid line by line and suggested the best course of action would be to withdraw the access management system, the emergency back-up generator, and cabling from the scope of electrical work and re-bid the electrical category only. Those items will be bid or purchased separately. Mrs. D'Amico moved, seconded by Mr. Donatelli, to reject only the Electrical Contract bids received for the building renovation and expansion project. The Motion carried unanimously.

The electrical bids will be due and opened April 2, 2019 and contracts may be awarded at a Special Meeting 6:00 PM April 9, 2019, which will be advertised.

Approval of Minutes

Mr. Goncharoff moved, seconded by Mr. Donatelli, to approve as presented the minutes of the February 12, 2019 Board of Supervisors Workshop. The Motion carried unanimously.

## UPPER UWCHLAN TOWNSHIP

### MEMORANDUM

TO: BOARD OF SUPERVISORS

FROM: Jill Bukata, Township Treasurer

RE: Status Update

DATE: April 22, 2019

---

#### **Finance has worked on the following items during the month**

- Received and processed 1,270 trash and 352 sewer payments (3/14/19 – 4/5/19)
- Prepared for the April move-out
- The 2018 financial statement was filed with DCED on April 1, 2019

#### **Projects and goals**

- Revise the Accounting Manual in accordance with current procedures and staffing (*in process*)
- Revise and update the Employee Personnel Manual (*in process*)

---

#### **Highlights of the March, 2019 financial statements**

- The balance sheet remains strong with cash of over **\$12.7 million** - of that amount **\$8.1 million** is not available for the routine operations of the Township as they are reserved for specific purposes, ie. Liquid Fuels and Act 209 for highways, Turf Field for replacement of the Turf Field, Capital Projects for the township building expansion and other projects.
- Year to date revenues (combined) are **\$2,090,913 or 27.0%** of the annual budget. Combined expenses are **\$1,446,606 or 20.2%** of the budget. The combined year to date net income - (General Fund and Solid Waste Fund) is **\$644,307**. Earned income tax revenue year-to-date is **\$903,560**.
- Although it appears that the Police Department has exceeded their budget in the Capital Fund (actual expenditures of \$112,000 vs. \$73,000 budgeted), the department purchased a Ford F-150 truck in 2019 with money from a \$50,000 DCED grant that was received and included in income in December, 2018.

## MEMORANDUM

To: Cary Vargo, Township Manager  
From: Michael G. Heckman, Director of Public Works  
Date: April 11, 2019  
Re: Bid Awards - 2019 Furnishing Road Materials

On April 9, 2019 the bids were opened for 2019 Furnishing of Road Materials contracts for bituminous concrete and coarse aggregate.

### **Bituminous Concrete**

There were three suppliers who submitted bids for “Bituminous Concrete” materials. The low bidder for supplying the Hot and Warm Mix materials is Glasgow Inc.

**Therefore, it is my recommendation that Glasgow Inc. should be awarded the contract for furnishing the bituminous concrete Hot Mix and Warm Mix materials, with a bid amount of \$40,075 at plant, and \$46,665 if delivered, as listed on the bid sheet, if all material is bought.**

### **Coarse Aggregate**

There were two bidders for “Coarse Aggregate”. Of those who submitted bids, New Enterprise Stone and Lime Inc. is the low bidder.

**Therefore, it is my recommendation that the contract for furnishing coarse aggregate should be awarded to New Enterprise, with a bid amount of \$5,862.50 at plant, and \$9,260 if delivered, as listed on the bid sheet, if all stone is bought.**

Should you have any questions regarding these recommendations or wish to discuss any part of this memo in more detail, please feel free to ask.
