Guy Donatelli called the Workshop to order at 4:05 p.m., led the Pledge of Allegiance and offered a moment of silence. No one planned to audio or video record the Workshop. He announced that an Executive Session was held November 23, 2019, regarding personnel matters.

Lionville Fire Company – Tower Truck Replacement

Mark Hull, President of the Fire Company, presented information regarding replacement of their 19-year old tower truck as it has reached the typical life span of @ 15-20 years. They had to make repairs earlier this year @ \$30,000. They plan to replace with a very similar 100-105' ladder, which helps with stability for the fire fighters are battling fire on rooftops or upper floors, and for those being rescued from upper floors. (Marsh Harbour, townhouses, shopping center, Eagle Tavern, Pickering Valley Elementary, etc.)

The new truck is estimated to cost \$1,300,000. They'll sell the current truck and hope to get \$150,000 from the sale. They've requested assistance toward the purchase from the Townships they serve: Uwchlan Township (\$300,000), West Pikeland Township (\$50,000-\$75,000), and Upper Uwchlan \$150,000. If approved, the contribution could be amortized over a few years or a lump sum. Upper Uwchlan assisted with the tanker pumper truck purchase in 2009, amortizing contributions over 4-5 years.

The Fire Company is in a strong financial position; however, they'll have to replace their rescue truck and the tanker pumper truck over the next 5 years, the aging building is in need of upgrades and with a shortage of volunteer firefighters, paid staffing may become necessary in the near future. They spend a lot of time in training and trying to recruit new members, to create an environment to draw young people. They have 50 active firefighters and @ 30% are over 40 years old. In answer to the Board, Jill Bukata advised that with the earned income tax revenues higher than budgeted, the Township could make the requested contribution, either a lump sum or paying over 3 years.

The Board asked if the Fire Company applied for Grant funding. Mr. Hull replied that they don't qualify for some of the Grants and some that they would qualify for are for the purchase of specific items.

Guy Donatelli advised that the Board will consider the request and make a decision either December 16, 2019 or in January 2020. Mr. Hull thanked the Board for their time and consideration.

#### Disposition of Township Property

The Township had replaced an HP ZBook laptop with Windows 7 operating system, as Windows 7 won't be supported beginning in 2020. The laptop was placed for sale on Municibid, an electronic auction. The high bid was \$148.31. Sandy D'Amico moved, seconded by Jamie Goncharoff, to accept the high bid of \$148.31. The Motion carried unanimously.

#### Township Manager's Report

Shanna Lodge, Acting Township Manager provided updates on the following projects: The 2020 Budget will be considered at the Board's December 16, 2019 meeting; Park Road Trail – the final punchlist has been completed, reimbursement from the State will be received in the near future, the contractor will be back in the spring to complete the grass seeding. Sandy D'Amico suggested holding back some funds to assure they return and asked if the we looked into the concern raised last month regarding the crosswalk at Moore Road. Shanna Lodge will follow up with McMahon Associates; the Township building expansion is progressing nicely. The building is under roof, a lot of interior work is occurring, the contractor advises they might be back on schedule by the end of year, there's potential to move back in April 2020, additional paving will need to occur (\$56,000 change order) as the existing paving isn't holding up; replacing the schoolhouse roof might get added to the project. It isn't leaking but where it ties in with the new roof, it'd be best to do it at this time. Two quotes were received but the pricing is quite different – one may include prevailing wages. Office furniture has been quoted as well; the Board will consider executing a Drainage Easement Agreement with the Fehrs who live next to the Meadow Creek WWTF; 2 ordinance amendments (DROP, Alternative Energy Systems) will be considered at the December 16 meeting; there are 2 Zoning Hearings tomorrow evening – Little Harvard, proposing a daycare on Byers Road and Hankin, proposing outside storage tanks. The Board discussed the daycare application and, while they'd like to encourage and support entrepreneurs, they expressed concerns of safety issues with increased traffic and the playground location, and the request to allow for larger enrollment.

Jamie Goncharoff moved that the Township take a position to oppose the granting of the 4 variances sought, to include concerns that an accessory use playground along Byers Road can cause traffic issues, that by reducing the requirements for the square footage per child isn't in the best interests of the children, that not providing a clearly delineated pickup/discharge area creates a safety hazard to the children and the traffic flow of cars, mini-buses, etc. Guy Donatelli seconded and the Motion carried unanimously. Shanna Lodge will draft a letter for the Board's review prior to distribution to the Zoning Hearing Board.

#### Open Session

No comments were offered.

#### Adjournment

Jamie Goncharoff moved to adjourn the Workshop at 5:33 PM. All were in favor.

Respectfully submitted,

Gwen A. Jonik

### Administration Reports

#### Township Engineer's Report

Dave Leh reported that revised land development plans have been received for Starbucks, revised plans for Byers Station Parcel 6C – Vantage Point Retirement Living are being reviewed, a pre-construction meeting was held for The Preserve at Marsh Creek (McKee – Fetters project) and they've started placing erosion and sedimentation controls.

#### Building and Codes Department Report

Al Gaspari reported that 36 building permits were issued totaling \$10,623 in permit fees; 2 Zoning Hearings were held December 11 -- Little Harvard, seeking relief for a daycare on Byers Road, and the Hankin Group seeking a variance for outdoor storage tanks. Both Applications were denied. The Township building parking lots and driveway are being paved; fit-out plans have been received for the Starbucks in Eaglepointe Shopping Center; and the time on the CVS clock has been corrected - Kristin Camp noted that there are 2 sections in the property maintenance code that address the topic and the Township doesn't have to draft an ordinance to address it.

#### Police Chief's Report

Chief DeMarco reported that the Department handled 1,139 calls; issued 101 traffic citations; there were 13 reported crimes; 1 arrest.

Officers Davis and Paradis, Detective Jones and Corporal Carr were in attendance. Detective Jones, President of the collective bargaining unit, presented Mr. Donatelli with a plaque from the Association recognizing Mr. Donatelli as a dedicated member of the Board of Supervisors, a liaison to the Police Department, a true friend to the Department.

#### Public Works Department Report

Mike Heckman was out on the road, keeping tabs on conditions due to the weather. Shanna Lodge reported on his behalf that 141 work orders were received and completed and the Department is prepared to respond to winter weather events.

#### Land Development

160 Park Road – Eagle Village Parking Expansion Escrow Releases #1 and #2. Gilmore and Associates reviewed both escrow release requests and recommends approving release #1 for \$82,796.28 and #2 for \$24,303.72 for this project. Mrs. D'Amico moved, seconded by Mr. Donatelli, to approve both releases as recommended. The Motion carried unanimously.

#### ADMINISTRATION

Drainage Easement Agreement – 6 Meadow Creek Lane. Shanna Lodge advised that there have been storm water issues on the Fehr's property, next to the Meadow Creek wastewater treatment facility. This Easement Agreement grants an easement to the Township for the installation and maintenance of a subsurface storm water drainage pipe to address flooding on the Fehr property. The Township Solicitor prepared the Agreement and it was reviewed by the Fehrs and the Township wastewater engineer. The Fehrs were present and agree to the easement. If any problems occur in the future, this easement allows the Township to access the area and resolve the issue. Mrs. D'Amico moved, seconded by Mr. Donatelli, to approve and execute the Drainage Easement Agreement. The Motion carried unanimously. A short recess was taken to allow for the Fehrs to execute the Agreement.

Traffic Signal Easement Agreement – Chester Springs Crossing (Milford Road extension at Pottstown Pike). Shanna Lodge advised that a traffic signal easement agreement between Toll Brothers and the Township has been drafted, that if a traffic signal is warranted in the future at the intersection of Milford Road extension at Pottstown Pike/Route 100, the easement will already be

available and recorded. A traffic signal is not warranted at this time, and as Kristin Camp noted, an easement for a future traffic signal was a requirement of the Conditional Use Approval for the project, previously known as the Jankowski Tract. Mr. Goncharoff moved, seconded by Mrs. D'Amico, to approve and execute the Traffic Signal Easement Agreement. The Motion carried unanimously.

6

Township Building Renovation – Authorize Change Order for Paving Scope of Work. Mr. Donatelli advised that the Board was made aware and has been discussing additional paving at the Township building. The existing parking areas are quickly deteriorating, and it would be more efficient to pave those areas as the new parking areas are being paved. The extra paving is estimated at \$55,969, the Board has reviewed and approved the scope of work. Mr. Goncharoff moved, seconded by Mrs. D'Amico, to approve the change order for additional paving at \$55,969.00. The Motion carried unanimously.

Township Building Renovation – Authorize Purchase Order for Interior Office Furniture. Shanna Lodge advised that quotes have been received for all interior office furniture, totaling \$104,140.12, which is lower than the budgeted capital expenditure, due to using Co-Stars (State Purchasing Program) vendors. Mrs. D'Amico moved, seconded by Mr. Goncharoff, to authorize the purchase of the office furniture for the Administration and Police Departments at \$104,140.12. Mr. Goncharoff asked how the vendors and furniture were selected, and about the warranties. Ms. Lodge advised that, with assistance by the architect, an interior decorator was selected, and a committee of Staff selected the furniture colors and layout. The manufacturers' warranties will be researched before the purchase orders are sent. We'll need to place the orders early February for delivery in the Spring. Mr. Donatelli moved, seconded by Mr. Goncharoff, to accept the Proposals and task Ms. Lodge and Ms. Camp to investigate and modify the choice of forum and ensure that the warranties are customary for a furniture purchase. Mr. Goncharoff wants to review the warranties prior to sending the purchase orders. The Motion carried unanimously.

#### Ordinance Amendments

DROP Ordinance Amendment. Mr. Donatelli advised that the Police Department has a DROP (Deferred Retirement Option Program) Ordinance in place and this amendment extends the time for an Officer who has opted to participate in the DROP to resign from employment from 4 to 5 years from the date of opting into the DROP. Kristin Camp advised the Ordinance amendment was duly advertised. Mr. Goncharoff moved, seconded by Mrs. D'Amico, to adopt Ordinance #2019-05 amending the DROP Ordinance. The Motion carried unanimously.

Alternative Energy Systems Amendment. Ms. Lodge advised that the original amendment to the Alternative Energy System Ordinance proposed eliminating aesthetic requirements for rooftop solar arrays. The Ordinance was further revised over the past several months at the request of the Planning Commission and includes new defined terms, adds provisions and eliminates aesthetic requirements. Kristin Camp advised this amendment was also duly advertised. Ms. Lodge noted an error to be corrected on Page 2: Section 77-3.B.(2) should reference Section 77-7. Planning Commission member Joe Stoyack, who was instrumental in drafting the amendments, was in attendance and advised the Board that he, Al Gaspari and Ms. Camp had met to work on the various revisions. Mr. Stoyack commended Mr. Gaspari's experience and Ms. Camp's expertise. This Ordinance is 10 years old and needed to be updated. There are @ 30 Chester County municipalities with alternative energy ordinances and he reviewed most of them. Upper Uwchlan's ordinance will now include net metering, which in the event more power is generated than needed, the homeowner gets a credit – these systems are to be an accessory use to the principal residential dwelling and are to be designed for a maximum 125% of the household or principal use being generated; the General Provisions are more organized; the Township has the right to inspect the interconnectivity between the home and the PECO panel to make sure it's safe and connected properly. The Planning Commission intends to re-visit the Ordinance early in 2020 to address future technologies and/or systems that are not currently addressed from being automatically approved. This Ordinance should be reviewed periodically to adjust for new technologies, new materials and

for safety measures. The Board thanked Mr. Stoyack for the time and effort he devoted to these amendments.

Mrs. D'Amico moved, seconded by Mr. Goncharoff to adopt Ordinance #2019-06 with the typo on Page 2 corrected, amending the Alternative Energy Systems Ordinance, Chapter 77 of the Township Code. The Motion carried unanimously.

2020 Budget Resolution. The 2020 Budget includes no tax increase, no increase in the annual trash/recycling fee (\$315), 3% salary increases, the completion of the renovation/expansion of the township building, etc. Mrs. D'Amico moved, seconded by Mr. Goncharoff, to adopt Resolution # 12-16-19-13, establishing the 2020 Budget at \$12,486,112, establishing the 2020 Millage Rate at 1.034 Mills and establishing the Hydrant Fee at .087 Mills. The Motion carried unanimously.

2020 Pension Plan Contribution Resolutions. Mr. Goncharoff moved, seconded by Mr. Donatelli, to adopt Resolution #12-16-19-14 establishing the Uniformed employee's 2020 Pension Plan contribution rate at 5%. The Motion carried unanimously. Mr. Goncharoff moved, seconded by Mrs. D'Amico, to adopt Resolution #12-16-19-15 establishing the Non-Uniformed employee's 2020 Pension Plan contribution rate at 5%. The Motion carried unanimously.

457 Deferred Compensation Plan – Re-Statement of Plan Document. Shanna Lodge explained that the 2020 Budget includes funding for the Township to provide an Employer Match to the employee's contribution to the 457 Deferred Compensation Plan, as follows -- 100% match up to maximum \$1,000 in 2020; \$1,500 in 2021; and \$2,000 in 2022. Mrs. D'Amico moved, seconded by Mr. Goncharoff, to adopt Resolution #12-16-19-16, adding the Employer Match to the 457 Deferred Compensation Plan. The Motion carried unanimously.

2020 Fee Schedule. The only revisions to fees for 2020 were increases in the Civil Engineer's, Wastewater Engineer's and Planner's hourly rates, and the Municipal Authority's, Zoning Board's and Alternate Township Solicitors' hourly rates. Mr. Donatelli moved, seconded by Mrs. D'Amico, to adopt Resolution #12-16-19-17 establishing the 2020 Fee Schedule. The Motion carried unanimously.

2019 Emergency Services Providers. Shanna Lodge advised that there are no changes in emergency service providers' coverage, companies, or territories. Mr. Goncharoff moved, seconded by Mrs. D'Amico, to adopt Resolution #12-16-19-18 which designates Lionville Fire Department, Ludwig's Corner Fire Department, East Brandywine Fire Department, Glen Moore Fire Department, Uwchlan Ambulance Corps, Minquas Ambulance, and the Township Police Department as emergency services providers, and Byron Nickerson is the designated Emergency Management Coordinator for Upper Uwchlan Township in 2020. The Motion carried unanimously.

RE: Census 2020 - Participation

DATE: January 17, 2020

---

In order to promote participation in the 2020 Census, please call attention to the following information, taken from the Census Bureau website ~ <https://2020census.gov/en.html>

### **What Is the 2020 Census?**

The count is mandated by the Constitution and conducted by the U.S. Census Bureau, a nonpartisan government agency. The 2020 Census counts the population in all 50 states, the District of Columbia, and five U.S. territories (Puerto Rico, American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, and the U.S. Virgin Islands). Each home will receive an invitation to respond to a short questionnaire (sample attached) —online, by phone, or by mail.

### **Why We Conduct This Count**

The census provides critical data that lawmakers, business owners, teachers, and many others use to provide daily services, products, and support for you and your community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data.

The results of the census also determine the number of seats each state will have in the U.S. House of Representatives, and they are used to draw congressional and state legislative districts.

It's also in the Constitution: Article 1, Section 2, mandates that the country conduct a count of its population once every 10 years. The 2020 Census will mark the 24th time that the country has counted its population since 1790.

### **Counting Everyone**

Participating in the census is required by law, even if you recently completed another survey from the Census Bureau. A complete and accurate count is critical for you and your community, because the results of the 2020 Census will affect community funding, congressional representation, and more.

Dear Resident:

This is your invitation to respond to the **2020 Census**. We need your help to count everyone in the United States by providing basic information about all adults, children, and babies living or staying at this address.

Results from the 2020 Census will be used to:

- Direct billions of dollars in federal funds to local communities for schools, roads, and other public services.
- Help your community prepare to meet transportation and emergency readiness needs.
- Determine the number of seats each state has in the U.S. House of Representatives and your political representation at all levels of government.

Respond by April 1 at [url removed]	Your Census ID is: [Census ID removed]
--	---

The Census Bureau is using the internet to securely collect your information. Responding online helps us conserve natural resources, save taxpayer money, and process data more efficiently. If you are unable to complete your 2020 Census questionnaire online, we will send you a paper questionnaire in a few weeks for you to complete and mail back.

The census is so important that your response is required by law, and your answers are kept completely confidential. If you do not respond, we will need to send a Census Bureau interviewer to your home to collect your answers in person. If you need help completing your 2020 Census questionnaire, please call toll-free [phone number removed].

Thank you for your prompt response.

Sincerely,

Steven D. Dillingham  
Director

- Count all people, including babies, who live and sleep here most of the time.
- If no one lives and sleeps at this address most of the time, go online at [url removed] or call the number on page 8.

The census must also include people without a permanent place to live, so:

- If someone who does not have a permanent place to live is staying here on April 1, 2020, count that person.

The Census Bureau also conducts counts in institutions and other places, so:

- Do not count anyone living away from here, either at college or in the Armed Forces.
- Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2020.
- Leave these people off your questionnaire, even if they will return to live here after they leave college, the nursing home, the military, jail, etc. Otherwise, they may be counted twice.
