Historical Commission (HC)

Vivian McCardell reported on the land development plans and historic resource structures that they've been reviewing, such as the Eagle Animal Hospital addition, and they salvaged some items from the Dorlan Mill miller's house before demolition. They have recently learned of and are researching the Anselma Mill train station that was relocated to a property in Upper Uwchlan on Little Conestoga Road and the existence of Milford Mills ruins on the western side of Marsh Creek Lake. The HC will again participate in the County's summer walking tour program. This year's theme is agriculture. Via a bus

tour, the HC will provide attendees with the history of farming at Upland Farm, Fellowship Farm on Fellowship Road, and Whelen Farm on Route 401.

#### Municipal Authority

Matt Brown reported that grant applications have been submitted for sanitary sewer system extensions in Milford Farms (Font, Surrey, Carriage), Meadow Creek, and converting the Eaglepointe treatment and disposal plant to pre-treatment only; Phase 3 of the Route 100 treatment plan expansion is moving forward and should be operational this summer; the Township-wide Act 537 Plan Update continues to be reviewed by PaDEP; the Authority continues to investigate properties for disposal area; and a grant has been awarded for landscaping around a disposal field in Byers Station, to provide a natural buffer. The Authority is working with PaDEP to re-rate the equivalent dwelling unit (EDU) value for single family homes from 225 gallons per day to 200, or lower.

#### Park & Recreation Board (P&R)

Sushila Subramanian reported on their activities since the Fall; the annual Easter egg hunt was a success, and 286 pounds of food was collected for the Chester County Food Bank; the trail between Hickory Park and Eagleview has been spruced up; they'd like the Board to consider installing a small playground for young children at Upland Farm Park.

#### Planning Commission (PC)

Sally Winterton reported the Planning Commission continues to review commercial zoning district uses for updating; various committees are working to update the Comprehensive Plan, the Village Concept Plan, Village Design Guidelines, and the Active Transportation Plan. A representative of each Board & Commission is serving on those various committees. She thanked Tony Scheivert and the Board of Supervisors for coordinating the Township Businessperson's Breakfast - it was well-attended, and the businesses provided feedback for consideration in updating the Comprehensive Plan.

#### Technology Advisory Board (TAB)

Ric Bassler reported the TAB is working on updating the audio/visual technology in the schoolhouse and is partnering with the EMPC for the cyber security / resilience review.

#### Zoning Hearing Board (ZHB)

Jim Greaney advised their first Hearing of 2023 is scheduled for tomorrow night for the 100 Greenridge Road project. The ZHB will re-organize for 2023 prior to the Hearing.

#### Marsh Creek Watershed Protection Program ~ Bid Results

Tony Scheivert advised that one bid totaling \$461,479.10 was received to retrofit 2 existing stormwater basins in the Heather Hill development. This was the third request for bids. The first request also included installing a stormwater feature in Upland Farm Park and the bids were well over the estimated budget. The second request reduced the scope of work to only the Heather Hill basins; no bids were received. Our consultant for this Project, T&M Associates, provided an evaluation of the bid from G&B Construction, which the Board will consider awarding the Contract at their April 17 meeting.

#### Sunoco Road Bond, Eagle Pump Station ~ Settlement Agreement and Release

Tony Scheivert advised that the 3 roads Sunoco impacted during their cleanup of Marsh Creek Lake – Waterview, Highview, Lakeview – were inspected, repaired and repaved by Sunoco. The settlement agreement and release of the Road Bond has been reviewed by Kristin Camp and Tom Oeste and is recommended for approval. Once the Agreement is executed by the Township, settlement of the house owned by Sunoco on Meadow Creek Lane can move forward. The Board will consider executing the Agreement at their April 17 meeting.

### Open Session

Lindsay Yeager has been researching office phone systems as our phone service has been deteriorating over the past 6 months with outages and delayed resolutions. The Township IT Firm, Help-Now, is assisting with the research. Our current desk phones will need to be replaced as the new systems cannot support them.

### Adjournment

There being no further business to be brought before the Board, Sandy D'Amico adjourned the Workshop at 5:20 p.m.

Respectfully submitted,

Advise the Police Department if you've received a call and then ignore it.

## ADMINISTRATION

### Zoning Ordinance Amendments – C2 District Elimination; Rezone Portion 500 Pottstown Pike.

Kristin Camp, Esq., advised this Ordinance consolidates 2 zoning ordinance amendments. She entered into the Record the following Board Exhibits:

- B-1 Proof of Publication in the Daily Local News
- B-2 Copy of ordinance amendments sent to the Daily Local News and the County Law Library
- B-3 Copy of the letter sent to the property owners affected by the zoning changes.
- B-4 Affidavit of property posting
- B-5 Minutes from the Township Planning Commission held January 12, 2023
- B-6 Minutes from the Township Planning Commission held December 9, 2022
- B-7 Chester County Planning Commission's March 7, 2023 review letter

The Ordinance being considered amends Chapter 200 "Zoning" Section 200-9 and the Township Zoning Map to rezone a portion of Tax Parcel 32-1-34.1C from Limited Industrial (LI) District to C-3 Highway Commercial District, and to eliminate the C-2 Limited Commercial District and to rezone all parcels currently zoned C-2 to Planned Industrial/Office (PI) District, Section 200-8 to remove the reference to the C-2 District, Delete Article IX and Section 200-38 titled "C-2 Limited Commercial District", to amend Section 200-72.1A and 200-98 to remove the reference to the C-2 District and to amend the definition of Village/Commercial District in Section 143-3.

Ms. Camp explained that currently, tax parcel 32-1-34.1C (500 Pottstown Pike) is split-zoned, and the amendment will make the parcel fully C-3 Zoning District, as petitioned by Rockhill Real Estate Enterprises in order to reduce the number of approvals necessary to develop the property. Elimination of the C-2 Zoning District was recommended as the allowable uses are the same as those in the abutting Planned Industrial/Office (PI) District.

Gerry Stein, Greenridge Road resident, asked how many property owners were notified. Twelve (12) property owners were notified.

Howard and Barbara Lane, West Township Line Road residents, commented they did not receive notification for their primary residence. It was determined the notice was mailed to the physical address and they use a P.O. Box. They commented they were not aware that the C-2 uses had been changed to the same uses allowed in the (PI) District. Ms. Camp nor Staff were able to advise when that change occurred other than it was at least 15 years ago and did not know how residents may have been made aware. She advised that no uses have been removed and the property owners can continue to use their properties as they have been.

Gerry Stein commented that any time any use language is changed, the township should notify all residents in that zoning district, out of courtesy.

Mr. Durkin moved to adopt Ordinance #2023-02 amending the Zoning Ordinance by re-zoning a portion of tax parcel 32-1-34.1C from LI to C-3, and by eliminating the C-2 Limited Commercial District. Mrs. Baxter seconded, and the motion carried unanimously.

#### Comcast Cable Franchise Contract Renewal.

Ms. Camp explained that the Cohen Law Group negotiated on the Township's behalf with Comcast to renew the Township's cable franchise agreement. The Contract is renewed via an Ordinance. The draft Ordinance was published in the Daily Local News, and had been sent to the Daily Local News and Chester County Law Library. The Agreement was reviewed by the Board at their Workshop. It provides for Comcast to continue to use the Township rights of way to locate infrastructure for cable services to Township residents, is a 10-year term, requires Comcast to pay the Township a franchise fee equal to 5% of Comcast's gross revenues, establishes customer service standards, etc.

Mr. Durkin moved to adopt Ordinance #2023-03 renewing the Comcast Cable Franchise Contract as described above. Mrs. Baxter seconded, and the motion carried unanimously.

Resolution to establish additional Depository(ies) of Township Funds. Tony Scheivert advised that the Township would like to add Presence Bank as a Depository of township funds. The Township Treasurer has researched rates at various banks, and they are offering comparable or higher rates. Mr. Durkin moved, seconded by Mrs. Baxter, to approve adding Presence Bank as a Depository of Township funds. The motion carried unanimously.

#### Sunoco Road Bond and Eagle Pump Station Performance Bond Release

Kristin Camp explained that at the start of Sunoco's Mariner 1 and 2 projects, they entered into a road bond agreement with the Township. The roads they intended to traverse were inspected, road conditions documented, and Bonds posted in case of damage. Sunoco has completed the work and requests release of the road bond and Performance Bond. The Township has inspected the roads, and Greenridge Road was damaged. Sunoco repaired a large section (Dorian Court to the Turnpike) and repaved Lakeview, Highview, and Waterview, which they used during the Lake cleanup.

Mr. Durkin moved to approve the release of the bonds and execute the Settlement Agreement. Mrs. Baxter seconded, and the motion carried unanimously.

### Marsh Creek Watershed Protection Program

Tony Scheivert advised that the Township plans to retrofit 2 stormwater basins in the Heather Hill development – increasing infiltration in these areas. A bid was received totaling \$461,479.10. There is over \$214,000 remaining in Grant funds and ARPA funds would be used for the balance. After evaluating the bid and checking the bidder's references, T & M Associates, the consultant for the project, recommends awarding the construction contract to G&B Construction.

The first request for bids for this Program included 3 basins and the bids were too high. The scope of work was reduced to 2 basins for the second request for bids. No bids were received. This third bid was for the same reduced scope of 2 basins and 1 bid was received.

Mr. Durkin moved to award the construction contract to G&B Construction at \$461,479.10. Mrs. Baxter seconded, and the motion carried unanimously.

### Open Session

Gerry Stein questioned the water line leak at Upland Farm. Mr. Scheivert clarified that it was the water line to the Barn.

Bob Holly, Red Tail Circle resident, commented that all the construction in Eagleview causes large herds of deer to gather in his and neighbors' yards, which causes property damage and increases the threat of Lyme Disease. He asked the Board what they could do about it. Mr. Scheivert advised that while Upper Uwchlan hasn't allowed hunts/hunters in the Township, there are feeders where the deer are treated for ticks while they eat. The Board will look into ideas for solutions.

Mr. Holly commented on the timing of the traffic light at Route 100 north making a left turn on Pennsylvania Drive, and on Graphite Mine Road. Mr. Scheivert asked Mr. Holly to provide him with the times of day he experiences issues and see if adjustments are needed.

Nancy Alloway read a letter opposing the proposed warehouse development on Lionville Station Road in Uwchlan Township. The letter focused on concerns of delayed emergency response due to increased traffic at intersections all around the area, jeopardizing positive patient outcomes. Mrs. Baxter understands the concerns and the Township will do what we can. Uwchlan Township is aware of our comments. Residents should provide their comments to Uwchlan Township as well.

Gerry Stein asked if the Uwchlan Ambulance substation in Upper Uwchlan would help the situation. The ambulance still has to travel Route 100 to get to Chester County Hospital.

Mr. Stein asked which Commission would think about the wildlife situation. Ms. Camp noted the problem is in every Township. There's no legal way to take care of it. The State Game Commission would be a good place to start. Steve Poley commented the mild winter didn't help reduce the deer population. A hard winter kills 1/3 of the deer population.

### Adjournment

There being no further business to be brought before the Board, Mrs. Baxter adjourned the Meeting at 8:12 p.m.

**Re: Award – 2023 Milling and Paving Contract**

On May 10, 2023 the bids were opened for the 2023 Milling and Paving Contract. There were six bidders for this contract. Four of these contractors sent representatives to the bid opening. Kristin Roth and I conducted the opening of bids and read them aloud to those attendees. Attached are the results for your review.

The low bidder was Glasgow, Inc. at \$10 /square yard for milling and \$90.20 ton in place for the asphalt overlay.

Therefore, it is my recommendation that **Glasgow, Inc.** should be awarded the 2023 Milling and Paving Contract at \$10/square yard for milling and \$90.20/ton in place for the asphalt overlay. This would be a total cost of +/- **\$390,011** depending upon actual asphalt tonnage used. This is well under budget.

### **DRAINAGE IMPROVEMENT MAINTENANCE AGREEMENT**

THIS DRAINAGE IMPROVEMENT MAINTENANCE AGREEMENT ("Agreement"), is made and entered into this 28th day of April, 2023, by and between QBD VENTURES, a Pennsylvania Partnership, with an address of 5 Blue Sky Trail, Traveler's Rest, South Carolina 29690 ("QBD") and UPPER UWCHLAN TOWNSHIP, a municipal subdivision of the Commonwealth of Pennsylvania ("Township").

#### **BACKGROUND**

A. QBD is the owner of an approximately 0.702 acre parcel of land located on the south side of Byers Road in Upper Uwchlan Township, Chester County, Pennsylvania, said parcel being identified as UPI No. 32-4-56 and being more particularly described in a Deed recorded in the Office of the Recorder of Deeds for Chester County, Pennsylvania, in Book 7525, Page 642 ("Property").

B. QBD has filed a Preliminary/Final Land Development Plan entitled "QBD Ventures" prepared by D.L. Howell & Associates, Inc. dated December 20, 2020, last revised 2/28/23 (the "Plan") which proposes the construction of a two-story, 4,400 square foot office building with associated parking.

C. QBD has applied to the Pennsylvania Department of Transportation ("PennDOT") for a Highway Occupancy Permit ("Roadway HOP") for construction of certain improvements in the right-of-way of Byers Road (S.R. 1022).

D. A prerequisite of QBD's Roadway HOP approval will be a separate Stormwater Facilities PennDOT highway occupancy permit for the installation of certain drainage facilities ("Drainage HOP") in the right-of-way of Byers Road including a Type M Inlet and a storm pipe that leads to the inlet in the Byers Road right-of-way (the "Drainage Facilities").

E. Pursuant to that certain PennDOT Strike-Off Letter No. 470-12-01 dated January 11, 2012 ("Strike-Off Letter"), PennDOT is requiring that the Township be a co-applicant on the

application for the Drainage HOP (and to become co-permittee) and that the Township accept ultimate responsibility for maintaining the Drainage Facilities in Byers Road.

F. The Township is willing to join with QBD as co-applicant of the Drainage HOP (and to become co-permittee) subject to the terms, conditions and provisions set forth in this Agreement.

NOW, THEREFORE, QBD and the Township, each intending to be legally bound, agree as follows:

1. Background. The background set forth above is incorporated into and made part of this Agreement.

2. Drainage HOP Application. QBD shall cause to be prepared, at no cost or expense to the Township, an application to PennDOT for approval of the Drainage HOP ("Application"). The Application shall be prepared in a form and substance satisfactory to the Township and shall name the Township as the co-applicant for the Drainage HOP. Upon completion of the Application, the Township shall execute the Application and provide the Application to QBD's traffic engineer for submission to PennDOT for review. In the event PennDOT should require any modifications to the Application or request additional information in connection with the Application, the Township shall notify QBD of the same and QBD shall cause compliance with the same in a form and content satisfactory to the Township. Upon approval and issuance of the Drainage HOP, the Township shall notify QBD of the same and provide QBD with a copy of the Drainage HOP.

3. Construction of Improvements. Concurrent with the construction of the improvements set forth in the Plan, QBD shall cause to be constructed, at no cost or expense to the Township, the Drainage Facilities set forth in the Drainage HOP in a good and workmanlike manner and in conformance with the requirements of the Drainage HOP and the Plan and otherwise in conformance with other applicable PennDOT requirements and Township requirements. If PennDOT should require an improvement guarantee for the cost of construction and installation of the Drainage Facilities, QBD shall cause such financial security to be provided to PennDOT prior to the commencement of construction of the Drainage Facilities. If PennDOT does not require an improvement guarantee for the cost of construction and installation of the Drainage Facilities, QBD shall cause sufficient financial security for the Drainage Facilities to be posted with the Township.

4. Maintenance and Usage of Drainage Facilities. Attached as Exhibit "A" of this Agreement is a drawing entitled "Highway Construction Plan" prepared by D.L. Howell & Associates, Inc. dated 4/25/23, which depicts that portion of the Drainage Facilities for which PennDOT has assigned ultimate maintenance responsibilities to the Township. QBD shall assume from the Township the maintenance responsibility for that area designated in Exhibit "A" and QBD shall perform all maintenance to said Drainage Facilities as may be required from time to time by PennDOT or the Township pursuant to applicable laws and regulations. The Township shall provide QBD written notice of any work required of QBD pursuant to the terms of this Agreement. Notwithstanding the foregoing, QBD shall have no responsibility for any relocation,

modification or expansion of the subject Drainage Facilities that are not required for maintenance purposes. In addition, the Township shall not allow any additional land development within the upstream drainage field of the Drainage Facilities which would adversely impact the operation, integrity or maintenance of those Drainage Facilities QBD is required to maintain without the prior written consent of QBD.

A. Inspections. QBD shall cause the Drainage Facilities to be inspected not earlier than September 1<sup>st</sup> and not later than September 30<sup>th</sup> of the calendar year in which the subject improvements are made and each calendar year thereafter. All such inspections shall be performed by a civil engineer licensed as such in the Commonwealth of Pennsylvania who shall prepare a written inspection report in which such civil engineer shall (i) identify the condition of the Drainage Facilities as of the time of his or her inspection thereof; (ii) identify any maintenance, repairs and/or modifications that QBD performed with regard to the Drainage Facilities during the twelve (12) month period immediately preceding such inspection; (iii) identify any maintenance, repairs and/or modifications then required in order to permit the Drainage Facilities to function in accordance with the design thereof; and (iv) other than as to such maintenance, repairs and/or modifications (if any), certify that the Drainage Facilities are functioning in accordance with the design thereof. The written inspection report shall be submitted to the Township Engineer within two weeks of completion of the report. If maintenance, repairs and/or modifications for the Drainage Facilities are/is recommended in the inspection report, QBD shall complete those within thirty (30) days of the date that PennDOT shall authorize the same and, within two (2) weeks after completion of the maintenance, repairs and/or modifications, the civil engineer who prepared the annual inspection report, as aforesaid, shall submit to the Township a follow-up inspection report pursuant to which he or she shall include a description of the maintenance, repairs and/or modifications performed and a certification that the Drainage Facilities are then functioning in accordance with the design thereof.

B. Township Right to Cure. In the event QBD fails to comply with the terms of this Agreement and Township shall elect to cure the Deficiencies (as hereinafter defined), Township shall send written notice to QBD specifying the areas of noncompliance ("Deficiencies") and the steps that QBD must take to comply. In the event QBD does not comply with the terms of the notice within thirty (30) days of the date thereof, or diligently pursue compliance in circumstances where compliance is not possible within such thirty (30) day period due to weather conditions, refusal or delay by PennDOT to authorize the same or otherwise, the Township shall have the right, but not the obligation, to complete any maintenance, repairs and/or modifications necessary to correct the Deficiencies and, thereafter:

1. collect the cost thereof from QBD by municipal lien against the Property; and/or
2. collect the cost thereof (together with Township's actual and reasonable engineering, legal and court costs) from QBD; and/or
3. pursue any other remedy allowed by law or equity.

C. Prohibition of Alteration or Removal. Except as expressly set forth in this Agreement or as required pursuant to applicable law to the contrary, QBD shall not alter or remove

the Drainage Facilities unless QBD receives prior written approval for such alteration or removal from each of the Township and PennDOT.

5. Insurance; Indemnity.

A. Insurance. QBD shall obtain and maintain during the entire term of this Agreement one or more public liability and property damage insurance policy(ies) covering injury, death or property damage claims arising out of the installation, construction, operation or maintenance of the Drainage Facilities. Such insurance policies shall provide bodily injury, including death, and property damage coverage in the minimum amount of One Million and 00/100 Dollars (\$1,000,000.00) per occurrence and Two Million and 00/100 Dollars (\$2,000,000.00) in the aggregate. Such insurance policy(ies) shall be occurrence based and shall name Township as an additional insured. Any policy of insurance required hereunder shall provide that such policy may not be cancelled without first giving Township thirty (30) days' prior written notice of cancellation and shall contain a waiver of subrogation clause *vis-à-vis* the Township. QBD's insurance shall be primary and non-contributory to insurance coverage maintained by Township. QBD shall provide to Township a Certificate of Liability Insurance annually at the policy renewal which shall include the aforementioned limits, additional insured endorsement and prior cancellation notice clause. The insurance carrier providing such coverage shall be rated at minimum of "A" per A.M. Best insurance rating agency.

B. Indemnification of Township. Except for Township Claims (as hereinafter defined) arising out of or in any manner or form related to the negligence or willful misconduct of the Township and/or any of the Township's officials, agents, contractors, employees or subcontractors, QBD, for itself and its successors or assigns, shall at all times indemnify and defend the Township and, as applicable, its elected officials from and against any and all claims, suits, legal expenses or judgments arising out of or related in any respect to the installation, construction, operation or maintenance of the Drainage Facilities (collectively the "Township Claims"). QBD shall have the duty to defend the Township and, as applicable, its elected officials against any Township Claims made by any person who alleges that adverse conditions, damages, or loss have been caused by installation, construction, operation or maintenance of the Drainage Facilities (excepting maintenance that Township performs pursuant to Section 4.B. of this Agreement). In the event QBD fails to undertake the defense of any Township Claims and Township is required to enter upon its own defense, QBD shall reimburse the Township for all actual and reasonable defense expenses the Township incurs including engineering fees, expert witness fees, fines, penalties, reasonable legal fees, and court costs and, in addition, QBD shall pay any judgment rendered against the Township as a result of such Township Claim. In the event QBD shall fail to pay the proper costs, legal fees, other expenses or damages as herein provided and the Township is required to pay same, the Township shall have the right to receive the monies it has expended, together with the actual and reasonable attorneys' fees incurred in pursuing reimbursement from QBD, either by (A) commencing a civil action against QBD in the Court of Common Pleas of Chester County, or (B) causing a lien to be placed on the Property in an amount equal to the sums required to be expended, or (C) any other manner permitted at law or in equity.

6. Drainage HOP Exhibit; Recording of Agreement. QBD and the Township understand and acknowledge that upon issuance by PennDOT of the Drainage HOP, a copy of said Drainage HOP shall be attached to this Agreement as Exhibit "B" and shall be incorporated into

and made part of this Agreement. This Agreement shall then be recorded in the Office of the Recorder of Deeds for Chester County, Pennsylvania at the cost of QBD.

7. Notices. Any notices required or permitted to be given under this Agreement shall be given in writing and shall be delivered either:

9. Covenants Running with the Land. This Agreement and the provisions herein shall solely be covenants running with the land and shall automatically transfer to and be binding upon QBD's successors in title to the Property. Neither QBD nor any of its successors in title to the Property shall have any liability under this Agreement after termination of their respective ownership interests in the Property.
