New Business

Planting Day – Lou planted the flowers last week. The Board expressed their satisfaction and appreciation to Lou.

Concert Series – A few bands are still needed to round out the schedule. The first event will be June 11 featuring The Moondawgs. We would like to have two people from the board at each concert.

Block Party – Sushila suggested we go back to the sand art idea since it was popular the year before. There was a brief discussion about volunteering for the event and we decided to break the night down into two shifts asking at least two people to come for each shift.

Committee Reports

Trails – Township and Regional – The Active Transportation plan continues to move forward. Nothing new to report.

DARC – DARC would like to offer a Bollywood summer class on Saturday mornings in the Barn.

Park Improvement Projects – Nothing new to report.

Facilities – Lindsay reported Chester County approved our grant and will receive \$250,000 for the Hickory Park Improvements, including the addition of three pickleball courts, a tee ball baseball field, pavilions, and shade trees; additional parking; and modifications to the existing rugby pitch to also accommodate cricket.

Open Session – A discussion was had, and request made for the Board to be able to look at the proposed concept plan for Hickory Park to make suggestions or recommendations.

Respectfully submitted,
