Attendees:

Andy Durkin, Vice-Chair  
Sandy D'Amico, Member

Kristin Camp, Esq., Township Solicitor  
Mark Hagerty, Court Stenographer

Tony Scheivert, Township Manager  
Lindsay Yeager, Assistant Township Manager  
Gwen Jonik, Township Secretary  
Rhys Lloyd, Codes Enforcement Officer  
Anthony Campbell, Zoning Officer  
Dave Leh, Gilmore, Township Engineer  
Tom Jones, Police Chief  
Joe Carr, Police Lieutenant  
Dave Stiteler, Detective  
Adam Pozza, Corporal  
Greg Hines, Officer

The Workshop was held at the Township Building, 140 Pottstown Pike, Chester Springs PA 19425.

Andy Durkin called the Workshop to order at 4:00 p.m., led the Pledge of Allegiance, and offered a moment of silence. No one planned to record the Workshop. There were 4 citizens in attendance. He announced an Executive Session was held April 30, 2024 regarding a legal matter related to the 241 Park Road Conditional Use Decision.

Recognition of Father Mullin

Chief Jones introduced Father Mullin and noted he's been the police chaplain for 24 years, before St. Elizabeth's was built. Father is retiring and the Police Department presented him with an appreciation award. Father helped out a lot of the years, assisting the Police Officers and the victims, at all hours. Father Mullin thanked the Department for their care of the community, serving the families during times of crisis.

Eagle Animal Hospital Preliminary Land Development Plan

Kristin Camp, Esq., read the following Conditions of Approval for Eagle Animal Hospital (9 Coffman Associates L.P.) Preliminary Land Development Plan for 211 Byers Road, dated March 4, 2024 consisting of nine sheets, and granting 2 waivers:

- A waiver from SALDO Section 162-28.A. to not require Applicant to widen the existing 23 foot cartway width of Byers Road.
- A waiver from SALDO Section 162-41.B. to not require Applicant to provide a sidewalk along Byers Road or ADA compliant curb ramps on either side of the existing driveway. In lieu of constructing the sidewalk, Applicant shall pay a fee in lieu of sidewalk in an amount to be determined by the Board as part of final land development approval. The amount shall be proportional to the cost of installing sidewalk along the frontage of the Property and based on an opinion of probable cost approved by the Township engineer.

**CONDITIONS OF APPROVAL**

1. Prior to the Plans being released for recording, the Plans shall be revised to comply with all outstanding comments in Gilmore & Associates, Inc. review letter dated April 5, 2024 with the following issues having been resolved:

- (i) The Board understands that there are physical constraints that require the building to be located in the location depicted on the Plans. The Board accepts that location.
- (ii) The Board understands that there are physical constraints on the Property that make it impracticable to provide parking for the new building in the rear of the building. Therefore, the Board finds that the Plans meet the requirements of Section 200-36.C(4).
- (iii) Because the use of the Property is the same as the prior use, there shall be no traffic impact fee owed.
- (iv) The Board will not require Applicant to seek a new permit from PennDOT for the existing driveway.
- (v) The Board is satisfied with the proposed architecture of the new building as depicted on the architectural renderings prepared by Linn Architects dated March 14, 2024. Applicant shall design the building substantially in accordance with the design that is depicted on these renderings.

2. Applicant shall continue to work with its landscape architect to design a landscape plan which will mitigate the development's impact on historic resources within close proximity to the Property. The landscape plan shall at a minimum include the installation of shade trees on the south and east sides of the parking lot and the installation of a continuous row of bushes and low fence between Byers Road and the parking lot. The details for the landscape plan shall be approved by the Board as part of the approval of the final land development plans.
3. Applicant shall retain the 1875 privy and 1920 garden shed on the Property.
4. In lieu of constructing the sidewalk, Applicant shall pay a fee in lieu of sidewalk in an amount to be determined by the Board as part of final land development approval. The amount shall be proportional to the cost of installing sidewalk along the frontage of the Property and based on an opinion of probable cost approved by the Township engineer.

Sandy D'Amico moved, seconded by Andy Durkin, to approve the Preliminary Land Development Plan as outlined above and grant the 2 waivers. The motion carried.

Byers Station Parcel 5C Lot 2B Revised Amended PRD Plan

Alyson Zarro, Esq., Alan Greenberg and Gary Large of Celebree, Chris Puzinas from Bohler Engineering, and Guy DiMartino of Traffic Planning and Design were present.

Alyson Zarro provided a brief description of the most recent revision to the amended PRD plan for Parcel 5C Lot 2B Commercial. An Amended Final Plan was approved in September 2022; however, due to market conditions and developing appropriate tenant costs for this area, they had proposed a phased plan. They are withdrawing that Plan and what is currently proposed is to develop only half the buildings and to not install the Iris Lane extension to Pottstown Pike at this time. Celebree has scaled back the plan – the daycare building is shifted south with a play area to the north of the building, and a 10,500 SF building that could be for 6 retail shops, 80 parking spaces with an additional 8 in reserve, the pedestrian crosswalk is close to being complete, and put curb in where Iris Lane was to extend to Pottstown Pike. The Planning Commission has recommended bollards or some type of added protection be placed between the play area and Pottstown Pike. Mr. Greenberg agreed with extra protection and fencing.

Sandy D'Amico questioned the trouble finding tenants. Mr. Greenberg noted they are working with 2 brokers. There is a personal trainer interested, Jersey Mike's, and a local business. He believes that once they start construction, the tenants will confirm and there will be more interest.

Discussion included the following points:

There is adequate shared parking for the daycare and the retail building; the full buildout stormwater basin has already been built and can handle all the water from the site; they do not have plans at this time for any other development on the property; they'll discuss the after-hours parking agreement – a formal document has not been drafted; there will be specific spaces for the daycare drop-off/pickup but the rest will be shared; allowable uses can be retail/commercial, personal services, and restaurants, but they require 20:1 parking so there won't be many. No

residential is allowed on this parcel; there's no off-street parking on Iris Lane so perhaps periodic overflow parking could utilize this Lot; the portion that will remain undeveloped is 1.5 acres; they agreed to adding another set of trash and recycling receptacles.

Kristin Camp will review previous approvals and include anything appropriate in the draft approval and add the condition regarding the bollards/additional protection for the play area.

#### Verizon Cable Franchise Fee Audit and Renewal

Tony Scheivert explained the Verizon cable franchise agreement expires in March 2026 and it takes approximately 18 months to complete a fee audit and negotiate franchise renewal. That would fall just before our agreement expires. We are part of a County consortium with over 20 municipalities with the same renewal timing. Cohen Law Group has provided a \$8,400 proposal to conduct the fee audit and negotiate the renewal. This is a reduced price due to participating with the consortium. Sandy D'Amico moved, seconded by Andy Durkin, to accept the Cohen Law Groups \$8,400 proposal as described above. The motion carried.

#### Ordinance Amendments ~ Review, Discuss

C1 C3, LI zoning ordinance uses. Kristin Camp clarified the active and passive recreation definitions and asked if the Board would like to keep them separate or combine to a new one. Tony Scheivert suggested deleting the need for conditional use approval for recreational uses. Kristin will revise the draft for when Jenn Baxter is in attendance and then send to the County Planning Commission for review.

Short-term rental ordinance. Table until Jenn Baxter is present.

#### Open Session

Tony Scheivert commented that we applied for and have been awarded grants from Delaware Valley Regional Planning Commission's (DVRPC) Transportation and Community Development Initiative (TCDI) -- \$100,000 -- and the County's Vision Partnership Program (VPP) -- \$30,000 -- for the Eagle Village Mobility Study, which will be used toward the swap in ownership of Graphite Mine Road and Pottstown Pike through Eagle Village.

Adjournment – Andy Durkin adjourned the Workshop at 4:56 p.m.

5:06 p.m. Andy Durkin called to order the Conditional Use Hearing for Planebrook Partners, LLC re: 241 Park Road and asked Kristin Camp, Esq., to conduct the Hearing. Mark Hagerty, Court Stenographer recorded the Hearing and his transcript is the official Record. The following is a summary of the Hearing.

Ms. Camp entered Board Exhibits into the Record.

B15 – letter requesting re-opening of the Hearing

B16 – proof of publication of tonight's Hearing

B17 – affidavit of property posting

Mike Malloy, Esq., Vic Kelly of Commonwealth Engineers, Inc. and Scott Risbon were present. Mr. Malloy presented additional evidence and Mr. Kelly provided additional testimony for the Board of Supervisors' consideration regarding: updated Traffic Impact Assessment, the Lionville Fire Company Chief confirming ability to serve the proposed building, the sprinkler system, designated child pick-up/drop-off spaces, the sizes of the indoor and outdoor play areas, the maximum enrollment, the HVAC location.

The Board commented on the rear side roofline needs to be altered/broken up as it's visible from Ticonderoga Boulevard and exceeds 60' in length. Leah Seace made comment about the HVAC

equipment. Gerry Stein made comment about the front roofline. Chris Williams made comment about a similar-sized Ducklings Daycare in another township.

Ms. Camp closed the Record and announced that the Board has 45 days to render their Decision, however, they'll probably do so at their May 20 meeting or June 10 workshop.

5:37 p.m. Kristin Camp opened the Conditional Use Hearing for Rockhill Real Estate Enterprises regarding their application for a car service and sales center at 500 Pottstown Pike. The Applicant requested a continuance to June 10, 2024 at 5:30 p.m. to have the full Board of Supervisors present.

Adjournment

There being no further business to be brought before the Board, Andy Durkin adjourned the evening at 5:42 p.m.

Respectfully submitted,

Gwen A. Jonik  
Township Secretary

LOCATION: Township Building, 140 Pottstown Pike, Chester Springs PA 19425

Mrs. Baxter called the evening to order at 7:03 p.m., led the Pledge of Allegiance, and offered a moment of silence. No one planned to record the meeting. There were 10 citizens in attendance.

Approval of Minutes

Mr. Durkin moved, seconded by Mrs. D'Amico to approve the minutes of the April 9, 2024 Joint Boards & Commissions Workshop and Conditional Use Hearing, and the April 22, 2024 Board of Supervisors Meeting. The motion carried unanimously.

Approval of Payments

Mr. Durkin moved, seconded by Mrs. D'Amico, to approve the payments to all vendors listed May 16, 2024. The motion carried unanimously.

Treasurer's Report

Jill Bukata reported a strong balance sheet; we are 33% through the year; year-to-date revenues are 41.7% of budget; year-to-date expenses are 27.8% of budget; earned income tax revenue is \$62,000 less than last year – it's usually slow in the beginning of the year.

2024 Solid Waste Budget Amendment.

Jill Bukata explained that with the new contract\*\* fees greatly increased over the current contract, the solid waste budget should be increased to cover the difference. Mrs. Bukata requested the Board amend the 2024 Solid Waste Budget, increasing it by \$140,000.00.

Mr. Durkin moved, seconded by Mrs. D'Amico, to increase the 2024 Solid Waste Budget by \$140,000.00. The motion carried unanimously.

Supervisor's Report

Mrs. D'Amico, Police Liaison, met with Chief Jones and Lieutenant Carr, and they discussed the traffic safety unit, which is up and running, the portable scale is in operation, an additional officer has been trained as a weigh master; the entire Department is crisis-intervention trained, as well as the Chaplain.

Mrs. Baxter read the following published calendar: May 22, 2024 6:00 p.m. Barns of Northern Chester County ~ a Lecture at the Barn at Upland Farm; May 27, 2024 Office Closed ~ Memorial Day; June 5, 2024 7:00 p.m. Zoning Hearing ~ Keystone Outdoor Advertising; June 9, 2024 4:30-

#### Administration Reports

##### Township Engineer's Report

Dave Leh reported that revised plans were received and are being reviewed by the consultants for 301 Park Road / P.J. Reilly. Vantage Point Senior Living project (Fieldstone at Chester Springs) is substantially complete.

##### Building and Codes Department Report

Rhys Lloyd reported that 57 building permits were issued last month, totaling \$48,358 in permit fees; he and Anthony Campbell conducted 186 scheduled inspections; 14 new homes settled; there were 9 resales; 20 zoning complaints investigated; and he's contacted HOAs regarding participating in a used bike drive for "Giving Bikes Back", a program to refurbish bikes to be given to those in need.

##### Police Chief's Report

Chief Jones reported 1,094 calls were received last month; including 20 crimes -- 14 adults and 7 juveniles arrested; new AEDs (automatic electronic defibrillators) are fully in service in Township parks and Upland Farm – these can be used for juveniles or adults. Through WiFi, Chief Jones received messages each day that they are in working order, and Public Works installed heated cabinets for them so they operate properly in the winter months; the Department has been accredited for 8 years; peddling/solicitation permits are required to go door-to-door – the Department issues photo IDs and the people are to carry the permit with them. Call the Department if someone doesn't have those documents with them at your door; the monthly safety tip is to not blow grass clippings into the road -- they become a danger and it's a code violation.

Park Road Speeding Concerns. Chief Jones provided an overview of complaints of speeding on Park Road, and with additional summer traffic coming to the State Park, they've increased speed enforcement efforts, they have/will place the digital speed signs, the electronic signs for the State Park closures can also be used to call attention to "25 MPH Ahead". They'll conduct speed surveys closer to the Park entrance. Don Tantala, Park Road resident, noted Park Road is now a nice straight-away near the Park and there's no speed deterrents, even motorcycles doing wheelies. The digital signs work for now but measures are needed for the long-term. Bob Starner, Park Road resident, lives near the blind curve and it's dangerous to pull out. Leah Seace, Lila Lane resident, commented there's speeding in the 35 MPH zone as well. Chief Jones advised they'll continue to look at traffic calming and will deploy the speed survey equipment to have accurate data to determine options. The Board briefly talked about speed bumps - which are not favored, landscaping the middle of the road, and we'll continue working with the traffic engineer for options.

##### Public Works Department Report

Mike Esterlis reported 178 work orders were received and completed; they've painted crosswalks and stop bars; installed 450' of conduit for camera upgrades at the Route 100 WWTF; completed street sweeping; replaced fence at the Aubrey Circle basin; seasonal help has started and they're working out great. It's National Public Works Week – our Department is very much appreciated!

##### Land Development

Byers Station Parcel 5C Lot 2B Commercial ~ Amended PRD Plan.

Kristin Camp, Esq., explained that Prosperity Property Investments owns the parcel, which was part of the Byers Station PRD Plan approval in 1999. Prosperity received final approval of a revised Amended PRD Plan in 2022. They have not been successful acquiring tenants for all of the retail spaces. The current proposed plan is for the Celebree school building, plus a 10,500 SF

retail building – several tenants in mind but not yet confirmed. Approval of the 2024 Amended Final PRD Plan for Lot 2B of Parcel 5C, dated March 15, 2022 and last revised April 18, 2024 has been drafted as follows:

### **ORDER**

Pursuant to Paragraph J.8 of the Tentative Plan Approval, the Board also approves the use of shared parking with a reduction in the total required parking spaces to allow a minimum of 80 spaces with an additional 8 future reserve spaces that Applicant may be required to install pursuant to Condition 2 below.

1. The 2024 Amended Final Plans shall be revised to address outstanding comments in Gilmore & Associates, Inc.'s review letter dated May 3, 2024.
2. If the Township determines that the 80 spaces are not sufficient to accommodate the parking demand from the proposed uses of Lot 2B of Parcel 5C (based on parking overflowing onto the public streets in and around the Property), the Board shall send written notice to Applicant and require Applicant to install the 8 parking spaces depicted on the 2024 Amended Final PRD Plan and additional parking spaces in the vacant space on the north side of the Lot. The number of spaces that Applicant must install in the vacant space on the north side of the Lot shall be determined by the Township and Applicant in accordance with the accepted methodology for determining peak parking demand for each use on the Property using the Institute of Transportation Engineer's parking generation manual then in effect. The timing for the installation of these additional spaces shall be determined by the Township and secured by Applicant with financial security which is posted prior to construction of these additional spaces.
3. Applicant shall install bollards or another suitable barrier between Pottstown Pike and the outdoor play area for the day care to protect children from vehicles veering off of the road. The specifications for the bollards or barrier shall be acceptable to the Board in consultation with the Township traffic engineer and shall be subject to approval by the applicable Commonwealth licensing department, if any department has jurisdiction over the placement or specifications.
4. Applicant shall install a second dumpster for trash and recycling disposal for use by the day care. The dumpster shall be screened in accordance with the Ordinance requirements.
5. Applicant shall purchase sufficient sewer capacity for all of the uses on the 2024 Amended Final PRD Plan once capacity needs have been determined by the Upper Uwchlan Municipal Authority.
6. The architecture for the commercial building depicted on the 2024 Amended Final PRD Plan shall be built substantially in conformance with the proposed building elevations prepared by JAM Arch, now known as Colliers Engineering & Design issued on March 15, 2024. The architecture for the day care building depicted on the 2024 Amended Final PRD Plan shall be built substantially in conformance with the proposed building elevations prepared by JAM Arch dated October 31, 2022.
7. All deliveries to the buildings on the Lot shall be from SU-30 vehicles or smaller sized vehicles. There shall be no deliveries from tractor trailers.
8. Applicant shall designate a sufficient number of parking spaces around the buildings as designated loading and unloading spaces and shall install signage to reserve such spaces for deliveries during off peak hours. All deliveries to the site must occur during off peak hours for the uses, preferably when the uses are closed; provided such time does not conflict with the Township Noise Ordinance.
9. If requested by the Township, Applicant shall allow public parking on a portion of the parking lot in front of the day care building during hours and days when the day care is closed provided that the Township agrees to enter into a License Agreement or other written Agreement with Applicant acceptable to Applicant and the Board, which shall include, without limitation, appropriate insurance coverage and indemnification by the Township for the public parking.
10. If the day care use provides transportation for students, it shall limit drop off and pick up from smaller passenger vans; larger standard sized school buses shall not be used.
11. Applicant shall obtain all required outside agency permitting and approvals (e.g., PaDEP Planning Module approval) prior to recordation of the 2024 Amended Final Plan.
12. To the extent that the 2024 Amended Final PRD Plan or any of the conditions imposed by this Decision and Order are inconsistent with any other conditions in the Tentative Approval as applicable to Parcel 5C, or the 2019 Alternative Final Plan Decision or 2022 Amended Alternative Final Plan Decision, the conditions of approval related to the development of Lot 2B of Parcel 5C set forth herein shall control.

Mr. Durkin moved to approve the Decision & Order for the 2024 Amended Final PRD Plan for Parcel 5C Lot 2B as stated above. Mrs. D'Amico seconded, and the motion carried unanimously.

## Preserve at Marsh Creek Phase 3 (Toll) Escrow Release #2.

Dave Leh explained that Toll submitted a bond reduction request for \$65,750.25 for site improvements in the Preserve at Marsh Creek Phase 3. Gilmore & Associates has reviewed the request and recommends the release/reduction. Following this reduction, there will be \$1,713,425.56 remaining in the bond. Mr. Durkin moved, seconded by Mrs. D'Amico, to approve the release/reduction of \$65,750.25 as requested. The motion carried unanimously.

## ADMINISTRATION

Planebrook Partners LLC ~ 241 Park Road ~ Ducklings Daycare Conditional Use Decision & Order. Kristin Camp explained that two Hearings were held for this application -- April 9, 2024 and May 14, 2024 – proposing consolidation of two lots to construct a 2-story daycare building with a building footprint of 6,000 SF and outdoor play areas. The Applicant was represented by Mike Malloy, Esq., and Vic Kelly of Commonwealth Engineers, Inc. Following the two Hearings, the Order and Conditions of Approval below were drafted and are being considered for approval.

## ORDER

The Board hereby approves the Application and grants the following approval:

1. A conditional use pursuant to Section 200-33.B of the Ordinance to develop the Property with a 12,000 square foot day-care center consistent with the Revised Plans which were admitted as Exhibit A-7 as such plans are revised to comply with this Order and to obtain final land development approval.
2. A modification of the minimum lot area in Section 200-64.A to allow a minimum lot area of 34,404 square feet which is less than 1,000 square feet per child enrolled at the day-care.
3. A modification pursuant to Section 200-73.H(1) and 200-73.K(2) of the Ordinance to allow Applicant to install a minimum of 37 parking spaces with 25 of those spaces having dimensions of 10'x18' and the remaining spaces at 9'x18'.

## CONDITIONS OF APPROVAL

1. The day-care development shall be built and designed generally in accordance with the Revised Plans which were admitted as Exhibit A-7 and the Presentation Plan that was admitted as Exhibit A-1 as such plans are revised to comply with this Order and to obtain land development approval from the Board of Supervisors.
2. Applicant shall address to the satisfaction all outstanding comments in the Township engineer's review letter dated April 5, 2024 which was admitted as Exhibit B-11, unless recommendations in that letter are modified by the Board through the imposition of conditions in this Decision and Order.
3. The maximum enrollment at the day-care center shall be limited to 120 children and the age of the children which may be registered is limited to infants to five years of age. By September 1 of every year after the day-care is open, Applicant shall provide the Township with a log of its enrollment to demonstrate compliance with this condition.
4. There shall be no bus or van transportation to the day-care center.
5. The day-care may not operate a kindergarten.
6. If the day-care conducts special events or parties, these must be staggered by age group or classroom so that there is sufficient parking for the attendees of the event.
7. If after the day-care is open, there are not sufficient spaces in the parking lot which causes vehicles to backup onto Park Road or Ticonderoga Boulevard creating a dangerous traffic condition, Applicant must institute a drop off / pick up policy with staggered assigned times or make another modification to the drop off / pick up procedures to mitigate the traffic congestion. The Township traffic engineer and Board must approve the mitigation measures.
8. Applicant shall upgrade the ADA pedestrian ramp at the intersection of Park Road and Ticonderoga Boulevard on the southeastern and northeastern leg of the intersection.
9. Applicant shall install sidewalks along Park Road in the location depicted on the Revised Plans.
10. Applicant shall evaluate the adequacy of the structural wall along Ticonderoga Boulevard and install protective barriers in the parking lot near the outdoor play area. The design and specifications for the protective barriers shall be approved by the Board as part of land development.
11. Applicant shall make all road improvements depicted on the Revised Plans and described by Mr. Kelly in his testimony and shall coordinate such traffic improvements with Windsor Baptist Church.
12. Trash pick-up shall be restricted to hours when the day-care center is not open.
13. Applicant shall present to the Historical Commission the plans and details of the fences that are intended to enclose the outdoor play areas. The Board shall approve the fence details as part of land development.

14. The HVAC mechanicals that are installed on the west side of the building near Park Road shall be screened so that they are not visible from Park Road. The specifications of the screening shall be approved by the Board as part of land development.
15. Applicant shall revise the architectural details of the eastern façade of the building that can be seen from Ticonderoga Boulevard so that it has a clear dimensional differentiation of roofline (i.e., an obvious difference in height) and/or an offset in façade of at least 10 feet, effectively breaking the single façade into two or more facades each no more than 60 feet in length as required by Section 200-36.B(2) of the Ordinance.
16. The final landscaping plan for the development shall be approved by the Board during land development and shall comply with the Township Code unless the Board grants waivers of certain provisions of the Code.
17. Applicant shall pay the Township's transportation impact fee based on Chapter 79 of the Township Code as calculated by the Township Traffic Engineer.
18. A maximum of 42 children may be in the 3,258 square foot outdoor play area for toddlers at one time, a maximum of 16 children may be in the 1,281 square foot play area for infants at one time and a maximum of 16 children may be in the indoor play area at one time.
19. Applicant and its successors and assigns in interest to the Property shall be strictly bound by this Decision.

Mr. Durkin moved, seconded by Mrs. D'Amico, to approve the Decision and Conditions of Approval. The motion carried unanimously.

2024 Milling and Paving Contract. Mike Esterlis advised bids were received from 5 contractors for the 2024 milling and paving contract – H&K Group, Glasgow, Highway Materials, Allan Myers and Road-Con. The lowest bidder was Glasgow, Inc. at \$5.80/square yard for milling and \$95.60 / ton in place for asphalt overlay. Also in the bid was pricing for full width milling of West Township Line Road and a leveling course on West Township Line Road at \$4.25/square yard for milling and \$81.40/ton for leveling course. Mr. Esterlis recommends awarding the milling and paving contract to Glasgow, Inc. at the amounts stated above. Total project cost is @ \$471,440.30 depending on actual asphalt tonnage used.

Mr. Durkin moved, seconded by Mrs. D'Amico, to award the 2024 Milling and Paving Contract to Glasgow, Inc. at \$5.80/SY for milling and \$95.60/ton in place asphalt overlay, and for West Township Line Road at \$4.25/SY milling and \$81.40/ton leveling course. The motion carried unanimously.

Proposal to Increase Solid Waste Annual Fee. Tony Scheivert and Jill Bukata presented information proposing an increase in the annual solid waste collection fee. There won't be an increase for the remainder of 2024 but the collection contract increased over 55% so a fee increase is necessary for 2025. The proposed increase is from \$315.00 to \$425.00/year. There's been no increase in the fee since prior to 2010. We have checked with other townships, and most have already had to increase their fees substantially. We will keep the payment timing the same but offer 2 installments. There will still be a discount for paying the full amount in March (\$10 flat discount) and the face value is due by September 30. Folks can pay half in March, half by September 30. The Board is requested to approve the increase to allow ample time to notify residents – via their HOA notifications, in the Township newsletters, on the website.

Mr. Durkin moved, seconded by Mrs. D'Amico, to approve the new solid waste collection fee schedule at \$425.00, effective January 1, 2025. The motion carried unanimously.

Marsh Creek Watershed Protection Project ~ Completion. Tony Scheivert advised that the plan for rehabilitation of the 2 stormwater management basins in the Heather Hill neighborhood began in 2016 with a grant award by PaDEP; however, modifications to the plans were necessary and the Upland Farm basin portion of the project was removed due to the costs. The Heather Hill basins totaled \$520,658.05. We received \$282,432.00 in grant funds. We are using ARPA funds for the final payment as this project is beneficial to the whole township as watershed protection is part of our MS4 Program, to manage stormwater more effectively. Construction of the Heather Hill

basins is complete. The Upland Farm basin has already been engineered and we'll move forward with that in the future.

Township Facilities HVAC Maintenance Contracts. Tony Scheivert advised we've received proposals from Capitol Heating and Air, LLC for maintenance of existing HVAC systems at 4 Township properties: Administration, Police Station, Public Works, Upland Farm Barn. The proposals total \$13,915 for 18 pieces of equipment. The Township has used Capitol HVAC before. Two other companies were requested to provide proposals – one was not interested due to the complexity of the systems and the other was too far away.

Mr. Durkin moved, seconded by Mrs. D'Amico, to approve the proposals and have the Township Manager execute the contracts. Mrs. D'Amico asked if the farmhouse at Upland Farm was included, and 520 Milford Road. Neither are included in these proposals. We will seek proposals for those in the future. The motion carried unanimously.

Disposition of Township Property – Accept High Bids and Approve Sales. Gwen Jonik explained that Public Works 6 pieces of equipment that met their useful life or were no longer needed. The items were offered for sale via Municibid, an electronic auction. The sale was duly advertised and the auctions closed this morning. Results are as follows:

Exmark 48" 15 HP Walk Behind Mower high bid was \$792.00;

2013 F250 Crew Cab Pickup Truck (VIN 1FT7X2B63DeA75968) high bid was \$16,700.00;

Husqvarna FS250 Road Saw 20" Blade high bid was \$1,250.00;

Meyer Salt Spreader high bid was \$10.00;

Frontier 3-Pt Seeder high bid was \$5,101.00;

2014 Scag Cheetah 61" Zero-Turn Mower high bid was \$3,701.00.

Mr. Durkin moved, seconded by Mrs. D'Amico, to accept the high bids and approve the sale of the equipment as stated above. The motion carried unanimously.

C1, C3, LI Zoning District Use Ordinance Amendments. Kristin Camp advised the draft provided this evening incorporates the Planning Commission's comments, the County Planning Commission's comments, and the Board's comments. The definition(s) for active and passive recreation were amended and that passive recreation is allowed by-right in C1, C3 and LI and active recreation is allowed by-right in C3 and LI and via conditional use in C1.

Mr. Durkin moved, seconded by Mrs. D'Amico, to send the ordinance amendments to the County Planning Commission for a second review (since there were revisions since their first review) and move toward adoption in July. The motion carried unanimously. Mrs. Baxter thanked everyone for all of their work on these use amendments.

#### Open Session

Tony Scheivert advised we've been granted \$6,000 from PECO's Green Region Grant Program, for planting trees in our parks and along Township trails. Other recent grant awards are from Delaware Valley Regional Planning Commission's (DVRPC) Transportation Set Aside program, DVRPC's Transportation and Community Development Initiative program, County's Vision Partnership Program, and the State's Local Share program (funded by gambling proceeds).

Sue Quake commented on availability of the plan for Rockhill Real Estate Enterprises / 500 Pottstown Pike conditional use application.

#### Adjournment

There being no further business to be brought before the Board, Mrs. Baxter adjourned the Meeting at 8:11 p.m.

Respectfully submitted,

Gwen A. Jonik  
Township Secretary

May 20, 2024 Board of Supervisors Meeting

## UPPER UWCHLAN TOWNSHIP

### MEMORANDUM

TO: BOARD OF SUPERVISORS

FROM: Jill Bukata, Township Treasurer

RE: Status Update

DATE: June 17, 2024

---

#### **Finance has worked on the following items during the month**

- Received and processed 105 trash and 1,325 sewer payments (5/15/2024 – 6/6/2024)
- Continued working on the audit of the Municipal Authority and pension plans

---

#### **Highlights of the May 31, 2024 financial statements**

- The balance sheet remains strong with cash of nearly **\$12.9 million** - of that amount **approximately \$7.1 million** is not available for the routine operations of the Township as it is reserved for specific purposes, ie. Liquid Fuels and Act 209 for highways, Turf Field for replacement of the Turf Field, Capital Projects for capital improvements etc.
- Combined revenue and expense status (General Fund & Solid Waste Fund):

○ Percentage through the year	41.7%
○ YTD revenues	\$ 5,288,836
○ YTD expenses	\$ 3,702,821
○ YTD net income	\$ 1,586,015 (before transfers)
○ YTD transfers out	\$ (622,329)
○ <b>YTD net income (after transfers)</b>	<b>\$ 963,686</b>
○ Budgeted 2024 net income/(loss)	\$ (112,767) (before transfers)
○ Budgeted 2024 net income (after)	\$ (562,767) (after transfers)
- YTD EIT revenues as of May 31 are \$40,000 lower than at the end of May, 2023. While EIT revenues YTD are lower than in 2023, the Township remains on target to meet budgeted revenues.

## **DEVELOPMENT UPDATE – UPPER UWCHLAN TOWNSHIP**

---

**Date:** June 13, 2024

**To:** Board of Supervisors

**From:** David Leh, P.E.

---

**Bold items have been additions since our last report.**

**100 Greenridge Road (Toll)** – The Board granted approval for the Conditional Use for a 64-home subdivision at their October 11<sup>th</sup>, 2022, meeting. Toll Brothers has now submitted Preliminary Land Development Plans for the project. Consistent with the conditional use approval, 64 homes are proposed. The Planning Commission accepted the plans at their April 13<sup>th</sup> 2023 meeting. The plans have been reviewed by the Township Consultants and a review letter has been issued. The Zoning Hearing Board's decision regarding the disturbance of Prohibitive Steep Slopes has been appealed.

**211 Byers Road – Eagle Animal Hospital** – The Applicant is proposing to construct a new 5,334 SF building and 36 space parking facility to replace the elements which were lost to the fire. The Planning Commission reviewed the plan and recommended Preliminary Approval at their April 11<sup>th</sup> meeting. The Board of Supervisors granted Preliminary Approval at their May 14<sup>th</sup> workshop meeting.

**241 Park Road** – The applicant has submitted a conditional use / land development application for the construction of a 6,000 SF daycare facility. The plans were reviewed by the Planning Commission at their January 11<sup>th</sup> meeting where no action was taken. The Planning Commission reviewed revised plans at their March 14<sup>th</sup> meeting where a recommendation for conditional use approval was recommended. The Applicant will be submitting revised plans for land development consideration. A conditional Use Hearing was held on April 9<sup>th</sup>. And reopened for additional testimony on May 14<sup>th</sup>. **The Board granted Conditional Use Approval at their May 20<sup>th</sup> meeting. In addition, the Applicant has submitted revised land development plans for consideration at the Planning Commission's July 11<sup>th</sup> meeting.**

June 13, 2024

**301 Park Road (PJ Reilly)** - A preliminary land development plan has been submitted by PJ Reilly Contractors for a new 8,400 SF office and equipment storage facility. The plan was reviewed by the consultants and the Planning Commission at their December 8<sup>th</sup> meeting. No action was taken. Revised plans were reviewed by The Planning Commission at their April 13, 2023 meeting, no action was taken. The applicant will be making an application to the Zoning Hearing Board for zoning relief prior to returning to the Planning Commission. A hearing was held on August 30· 2023, regarding the requested zoning relief. It is our understanding the Applicant is in the process of revising the plans for resubmission. Updated land development plans were reviewed by the Planning Commission at their May 9<sup>th</sup> Meeting. No action was taken. **The Applicant will be attending the Planning Commission's June 13<sup>th</sup> meeting to obtain further input prior to revising their plans.**

**500 Pottstown Pike (Rockhill Real Estate Enterprises)** – The Applicant has submitted a conditional use application for a 415-space service and storage facility. The application was reviewed by the Planning Commission at their April 11<sup>th</sup> meeting and a recommendation of conditional use approval made. The hearing was opened on May 14<sup>th</sup> and will continue June 10<sup>th</sup>. **Testimony was given on June 10<sup>th</sup> and the hearing was closed. The Board will render a decision at a future meeting.**

**Byers Station (Parcel 5C – Lot 2A)- [Enclave at Chester Springs]** – This is the 55 Unit Townhouse development being constructed by Toll on Lot 2A of Byers Station. Final paving has been completed. The performance bond was released at the Board of Supervisor's October 16<sup>th</sup> meeting. The project will not enter the maintenance period until the Station Boulevard crosswalk is completed. The pedestrian path from Station Boulevard to the trail on the Pickering Valley Elementary School Property has been completed. The foundations for the RRFB signals have been poured with the installation of the majority of the equipment has been installed. The only remaining tasks are the installation of the flasher cabinets and energization.

**Byers Station (Parcel 5C – Lot 2B)- [Commercial]** – An Amended PRD Application has been submitted for the undeveloped commercial portion of the site. The plan proposes a 10,500 SF daycare facility, an 1,820 SF freestanding eating and drinking establishment, and 13,200 SF of additional retail space. The Board granted Amended Final Plan Approval at their September 19, 2022 meeting. Revised plans have been submitted to the consultants to verify all outstanding comments have been satisfactorily addressed. We met with the applicant to discuss the potential of phasing the construction of this property. The Applicant has

submitted a phasing plan which has been reviewed by the Consultants and the Board at their May 14<sup>th</sup> workshop. **The Board granted approval at their May 20<sup>th</sup> Meeting.**

**Byers Station (Lot 6C)- Vantage Point** – The Applicant has received Final PRD Approval at the Board of Supervisors April 20<sup>th</sup>, 2020, meeting for a 36,171 SF, 3 story retirement facility. Site work is substantially complete.

**Eagleview Lot 1A** – Hankin has submitted a Preliminary / Final Land Development Application for a one-story, 60,600 SF Flex Use office / warehouse building to be located along Sierra Drive. The plan was reviewed by the Planning Commission at their March 9<sup>th</sup> meeting. No action was taken with regard to plan approval; however, the Planning Commission did recommend the granting of several waivers. The Board granted the requested waivers at their March 20, 2023 meeting. Revised land development plans have been submitted and reviewed by the consultants. The Board granted Preliminary / Final Approval to the application at their June 19, 2023 meeting. Revised plans have been submitted for review prior to recording.

**Eagleview Lot 1C** – This project proposes a 113,000 SF Flex Office building. The Board granted Final Land Development Approval at their November 19<sup>th</sup>, 2018, meeting. Site and building construction had been paused due to loss of tenant but has now once again commenced. The front portion of the building is now occupied.

**Preserve at Marsh Creek (Fetters Property)** - The Board granted Final Land Development Approval at their October 16<sup>th</sup>, 2017, meeting. Site construction continues in all 3 phases. (i.e.- The entire development) We have received grading permit applications for 297 of the 376 building units to date.

**Struble Trail Extension** – Chester County has submitted an application to reopen the Conditional Use Hearing as well as land development plans to allow for the continuance of the trail from where it currently terminates to a point on the west side of Dorlan Mill Road. The Planning Commission reviewed the application at their June 13<sup>th</sup>, 2019, and July 11<sup>th</sup>, 2019, meetings and recommended Conditional Use Approval as well as Preliminary Land Development approval. The County has submitted revised land development plans which have been reviewed by the consultants. The Planning Commission reviewed the application at their June 8<sup>th</sup> meeting and recommended conditional use as well as Preliminary / Final Land Development Approval. The Board granted conditional Use and land development

## UPPER UWCHLAN TOWNSHIP Chester County, Pennsylvania

RESOLUTION # \_\_\_\_\_

### Resolution for Plan Revision

#### A RESOLUTION OF UPPER UWCHLAN TOWNSHIP (hereinafter "the Township")

WHEREAS, Section 5 of the Act of January 24, 1966, P.L. 1535, No. 537 known as the "Pennsylvania Sewage Facilities Act", as Amended, and the Rules and Regulations of the Pennsylvania Department of Environmental Protection (PADEP) adopted thereunder, Chapter 71 of Title 25 of the Pennsylvania Code, require the Township to adopt an Official Sewage Facilities Plan providing for sewage services adequate to prevent contamination of waters and/or environmental health hazards with sewage wastes, and to revise said Plan whenever it is necessary to meet the sewage disposal needs of the Township.

WHEREAS, Upper Uwchlan Township has prepared an Act 537 Plan (Plan) which provides for improvements of and expansion of sewage facilities in the Township.

This Plan provides the basis for the implementation of the following alternatives:

- Retirement of the Meadow Creek Community Treatment Facility, construction of a collection system within the Meadow Creek subdivision, and connection of the collection system to the proposed 100 Greenridge Road Collection and Conveyance system with treatment at the Route 100 Wastewater Treatment Plant.
- Retirement of the Saybrooke Wastewater Treatment Facility and connection of the existing collection system to the Reserve at Eagle Pump Station #2. The wastewater would receive ultimate treatment at the Route 100 Wastewater Treatment Plant.
- Extension of the Byers Road sewer main to serve the smaller parcels near Byers Road's intersection with Senn Drive. Then sanitary sewer service would be extended south along Senn Drive toward Township Line Road. Wastewater would be conveyed to the Route 100 Wastewater Treatment Plant.
- Extension of public sanitary sewer service to the Highview Subdivision. Wastewater would be conveyed from this area to the Little Conestoga Pump Station and then conveyed to the Route 100 Wastewater Treatment Plant for treatment and disposal. The Highview Subdivision includes the Highview, Waterview, and Edgefield neighborhoods.
- Retirement of the Eaglepointe Wastewater Treatment Plant stream discharge. Wastewater would be redirected to the central collection and conveyance system for ultimate treatment at the Route 100 Wastewater Treatment Plant.
- The Township's Septage Management Ordinance began implementation in 2022. This will apply to all properties that will continue to utilize on-lot disposal.

NOW, THEREFORE, BE IT RESOLVED, that the Township hereby adopts and submits to the Pennsylvania Department of Environmental Protection for its approval, as a revision to the "Official Plan" of the Township, this Act 537 Plan (Plan), dated June 2022, Revised March 2023, and Revised May 2024. The Township hereby assures the Department of the complete and timely implementation of the Plan in accordance with the implementation schedule detailed in the Executive Summary of the Plan.

WHEREAS, the Upper Uwchlan Township finds that this Act 537 Plan, described above, conforms to applicable zoning, subdivision, other municipal ordinances and plans, and to a comprehensive program of pollution control and water quality management.

I, Gwen A. Jonik, Secretary, Upper Uwchlan Township, hereby certify that the foregoing is a true copy of Township Resolution # \_\_\_\_\_, adopted June 17, 2024.
