Upper Uwchlan Township Receives the GFOA Distinguished Budget Presentation Award

CHESTER SPRINGS, PA – Upper Uwchlan Township has been awarded the Government Finance Officers Association (GFOA) Distinguished Budget Presentation Award for its 2014 budget document. The award reflects a significant organizational achievement and reflects the commitment and dedication of the Board of Supervisors and staff to meeting the highest principles and well recognized governmental best practices in the area of governmental budgeting. In order to receive the budget award the Township had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as a policy document, a financial plan, an operations guide, and a communications device. The Board of Supervisors tasked staff with presenting a comprehensive and transparent document that clearly communicates to our residents both the priorities of Township government and financial condition. Thank you to all of the Department Heads involved in the budget process and to Jill Bukata, Township Treasurer for her efforts in putting the final budget together.
