FOR IMMEDIATE RELEASE

PIPELINE COMMUNITY AWARENESS AND SAFETY: WHAT YOU NEED TO KNOW

CHESTER SPRINGS, PA – The Chester County Department of Emergency Services will present an information session on Tuesday, November 20, 2018 at 6:30 PM at the Pickering Valley Elementary School auditorium. This event is designed to inform residents about pipeline safety and how a pipeline related emergency would be addressed by emergency responders.

A panel of presenters will include personnel from the Chester County Department of Emergency Services, the Upper Uwchlan Township Police Department, and emergency response agencies. A list of panelists and program agenda are attached to this news release.

Upper Uwchlan Township is a Township of the Second class, population 11,500, located in central Chester County, PA. Visit us on the web at www.upperuwchlan-pa.gov. Like us on Facebook and Twitter @upperuwchlan.
